## INFORMATION ABOUT THE OFFER

To celebrate the 2024 summer holiday period Lightning Broadband is pleased to offer the following special terms.

For new customers only, who sign up to an “LBI-x” plan, as described in our Critical Information Summary available [here](#), no later than 31 January 2025 we agree to provide the plans listed modified as follows.

- We will waive the normal activation fee of \$55 (inc GST);
- We will reduce the Monthly Charge by \$10 (inc GST) for the first 6 billing periods from your sign up.

Accordingly, the Minimum Cost of each plan listed in the CIS for those customers who accept the above offer is reduced by \$65 (inc GST) and \$115 (inc GST) for the full six billing periods.

### Exclusions

The offer set out above:

- is not available to existing or returning customers;
- is not valid in conjunction with any other offers;
- is only valid until midnight 31 January 2025; and
- expires if you cancel your plan (i.e. if you cancel 3 months into the offer, you lose the remaining three months discount)
